

“I Pay My Dues Every
Day... Do You?”

Yeah, you pay your gym dues but it goes well beyond that. You pay your dues every time you squat. You pay them every time you choke down another can of tuna. You pay them every time you puke. This is what you pay just so you can respect yourself and call yourself a man. This is membership in the brotherhood of iron. This is Animal. Can you handle it?

Animal. Hardcore Training Packs.
